

Atlanta Birth Coalition's directory of all and any professionals and all information on this website is intended for informational resources only. The information is taken from many sources, but not recommended to be used as medical advice. Please understand that the content on this website is not the opinion or suggestions of Atlanta Birth Coalition or the ABC team, nor is Atlanta Birth Coalition credentialing any of the professionals listed. Please understand Atlanta Birth Coalition is not a credentialing agency or a regulatory body. All emails, handouts, website pages and information provided on this website is for informational purposes only. Use the service providers and information at your own risk, you are taking full responsibility for your baby and your pregnancy when choosing to use the content of this website to help you make decisions. Atlanta Birth Coalition website is not a health care provider and therefore does not give medical advice. We are not responsible for the competency of each professional listed. Please do your own research and make your own educated decisions, and know you are taking full responsibility regarding the competency of the professionals you retain. All information and suggestions presented by Atlanta Birth Coalition do not substitute for medical diagnosis. For specific information concerning your personal medical condition, consult your primary health care provider. Atlanta Birth Coalition is not responsible for any of the services you may receive from the service providers listed. But we do take parent's complaints very seriously. Please notify us immediately of any bad experience so we can remove providers who are not meeting the Atlanta Birth Coalition standards.
